

## Description of what is expected of an LMC Rep

LMC reps are expected to attend about 10 meetings per year (rep time is paid for) and also contribute to email discussion in between

There are two types of meeting (county meetings and PCT liaison group meetings)

The table below gives the timetable for the next year's BBOLMC meetings, arranged by County and PCT  
The Minutes of these meetings are generally on our website within a week of the meeting taking place, so if you want to see the sort of thing LMC discusses, take a look.

Minutes are written so that they provide background to issues and LMC opinion/advice

They should be especially useful for those not present at the meeting

All can be found at [www.bbolmc.co.uk](http://www.bbolmc.co.uk)

The left hand side of the home page contains a turquoise column of links.

Click your county then either click "county minutes" or the "liaison group" for your PCT area

Each minute has a contents section on page one and each title in this hyperlinks to the page where the issue is discussed

Try them out and see what you think
