

## Thames Valley LMC election result

Attached below is the formal announcement of elections for LMCs in Berks, Bucks and Oxon,

No elections are needed because no constituency had more self nominations than seats  
The new committees will start in April 2012 and run for a 4 year term

The dates of meetings (LMC, LRC/PCT liaison) for 2012 are tabled below with the first meeting of the new committees highlighted

The process of choosing LMC chairs, vice chairs, treasurers and county reps to the BBOLMC board (3 each) will begin at the first meetings in April.

A call for agenda items will go out to reps three weeks before each meeting  
Papers will be emailed to reps in the week before each meeting  
Minutes are generally on our website within a week of a meeting taking place  
See [www.bbolmc.co.uk](http://www.bbolmc.co.uk)

### **LMC Reps are encouraged to:**

- contribute to rep email debate between meetings, either on a local or a Thames Valley/national wide issue
- have a means of canvassing the practices they represent  
eg by compiling a group email distribution list and seeking feedback on issues reps present to them  
This will usually involve forwarding/plagiarising one of my emails  
BBOLMC will be sending each rep a list of their practices with email addresses in the near future.
- advertise how their practices can get issues to them as reps  
I will be seeking permission of reps to supply their practices with their email addresses

### **Practices are encouraged to:**

- Tell their reps (or BBOLMC) about issues that concern them or
- Tell BBOLMC about issues that concern them
