

**Imposed Changes to the GP Contract – Downloadable video and audio Podcast**  
**Laurence Buckman answers members questions**

In a new downloadable video and audio podcast, Dr Laurence Buckman, Chairman of the BMA's General Practitioners Committee (GPC), answers BMA members' questions about the potential impact on patient care and the profession of the Government's decision to impose changes to the GP contract. Dr Buckman also explains what action the BMA is taking and how GPs can make their voice heard.
