

Flu Vaccines Discount Scheme 2011 - Sanofi Pasteur

Please note that Sanofi Pasteur has notified BBOLMC of its prices for Flu vaccines for 2011/12

The pricing structure is

Product	NHS List Price	Cost to practice
Inactivated Flu Vaccine	£6.59	£3.30
Intanza	£9.05	£5.76

Sanofi Pasteur calculate that the difference between the cost to the practice and reimbursement is £6.07

Practices may like to check this using the BBOLMC calculator on www.bbolmc.co.uk

Interested practices can contact Ping Low on 07976 543412

As part of the offer practices will receive the following benefits

- Up to 10% sale or return
- Extended credit
- Top up doses
- Flu Clinic materials
