

# SHOULD THE NHS BE RUN FOR PATIENTS OR PROFIT?

**COME AND TELL US WHAT YOU THINK  
ABOUT THE PROPOSED “DARZI CENTRE”**

**6.30-9.30PM ON TUESDAY 8 JULY AT  
THE PEOPLE’S CHURCH, HORSEFAIR, BANBURY  
(OPPOSITE ST MARY’S CHURCH)**

### **Did you know?**

- Banbury has been earmarked for one of the government’s latest gimmicks – the ‘polyclinic’. So far, contracts have been given to private companies – so shareholders are taking a big chunk of NHS cash
- The polyclinic could threaten the viability of YOUR local GP practice and undermine services at the Horton
- “Keep our NHS Public”, your local GPs and Keep the Horton General Campaigners need YOUR support to fight the latest threat to Health Services in Banbury
