

LAEDI Educational Workshop

Thursday 21st October 2010
The Quadrangle Conference & Exhibition Centre
Kassam Stadium, Oxford

This event can be used to support information for medical revalidation.

Session 1: Patient Experiences of Cancer

Chair: Peter Rose

3:30 **Registration**

4:00 **Welcome and Introduction** – Pat Haye, Director of Thames Valley Cancer Network

4:15 **National Cancer Awareness and Early Diagnosis Initiative** – Peter Rose, GP and primary care researcher

4:45 **Patient Experiences of Cancer** – Ann McPherson, co-founder of ‘Patient Experiences’ website www.healthtalkonline.org

5:15 **Health seeking behaviours and messages that work** – Suzanne Scott is, lecturer in Health Psychology at King's College London

6:00 Networking - Buffet dinner and displays

Session 2: Improving Early Diagnosis in Primary Care

Chair: Mike Smith

6.30	Cancer Tales – Play presented by Director Trevor Walker. It tells the true experiences of five remarkable women, sometimes funny, sometimes sad. It does not seek to criticise healthcare, but it does engender a great deal of debate connected with patient-doctor communication.
7:00	Bowel Cancer Screening and Health Inequalities – Julietta Patnick, Director of the NHS Cancer Screening Programmes (TBC)
7:30	Improving Colorectal Cancer Diagnosis in Primary Care – Willie Hamilton, GP and primary care researcher
8:00	Audits of Bowel Cancer in GP Practices across Thames Valley – Richard Stevens, GP and chair of the TVCN LAEDI Steering Group
8:30	Next Steps – Dr Mike Smith, Medical Director at TVCN
