### **Minutes of Previous Meeting**

The minutes were accepted.

### **Feedback from meeting with CEO on 2/2/05**

Good meeting with Jane Dudley, PCT Acting Chief Executive re: lack of leadership on the 2 PCT Boards and general history and concerns.

Concerns well received and LMC now receiving papers.

RG had subsequent meeting and agreed there should be papers published before the meeting.

Jane Dudley is happy to stay in post until end of Chief Executives sickness period but does not want to apply for the post.

### **LES & DES**

Was discussed. Physio was under review but report still not available. An issue in the West. PB completed a survey on OSKO problems for PCT. Evidence could be interpreted for any outcome.

### **Referrals**

Hip and knee referrals have been pulled for South Oxon; practices don't need to do the NZ scoring.

### **Re-organisation of PCT**

This was discussed.

### **Enhanced Services**

PB unhappy to roll over unspent because GPs accepted to do 2 LES services for cheap price because PCT did not have money. PCT should hand over all the under spend.

### **OOHs**

OOHs and call handling were discussed. No GP had received notice of the current proposal re: call handling.

### **Date of Next Meeting**
