

BMA Guidance on locum agreements

The locum agreements guidance is for both locum GPs and the practices who engage them. It is aimed at locum GPs to help them put together written agreements with the practices for which they work, and should also be of interest to practices who engage locums. It assumes that the arrangements made will reflect the locum's status as a self employed GP, and that the agreement will be a contract for services, rather than a contract of service, which would apply to an employee.

This guidance is available on the BMA website, but please note that it is restricted to BMA members and LMCs.
