The minutes of the January meeting were accepted.

Matters Arising

None.

nGMS Contract

Type Two Practices – RG said that they had been asked to fill in forms with financial projections for the next quarter on this issue.

QIP – RG said that there would be £2,500 for both years; she said the PCT thought this was a reasonable contribution. CT said that appraisal money is not in the baseline but that the money worked out at approximately £500 per appraisal.

Shared Care Issues – CT said there were specific issues about how the treatment of drug users would be addressed. RG said there would be a modified national enhanced service for drug misuse. She also said there will be no enhanced service for alcohol misuse. She discussed ideas for expanding GMS services in Milton Keynes with particular reference to premises.

Any Other Business
