Minutes of Previous meeting

The minutes were agreed.

Merger of NE & CV Reference LMCs

SL said the two LMCs had merged but there was no constitution as yet. JS explained the set up for the other 2 Counties.

SL proposed NB should be Chair of the group. NB said he was happy to accept.

Future Plans for the CV LMC Reference Committee

NB said the LMC should meet before the next PCT Liaison meeting. It was suggested that the Liaison meetings should be 2 hours. NB suggested that meetings should take place at lunchtimes between 12:00 – 14:00. Deddington Croughton Village Hall and Kings Sutton were suggested as venues.

The next meeting with the PCT is 1st February which clashes with another Reference Committee at Newbury.

Action: PHR to rearrange, possibly 15th February

Choose & Book

This was discussed at length. PHR recommended that Oxfordshire GPs should hold off as long as they could.

Practice Based Commissioning

It was thought that it was not realistic for this to take place by 1st April.

GP Support Panel Representation

Cherwell Vale has a Support Panel consisting of PEC Chair, Chief Executive, Director of Primary Care, LMC representatives and others. Chaired by non-executive, it deals with cause for concern GPs. SH sat for 3 years on these and there have been 5 investigations. It meets every 2 months. There are serious issues at the moment.

NB asked would the 2 PCTs Committees merge?

PHR offered to stand in as LMC representative. The Committee accepted the offer.

Action: SL to tell Ginny Hope of the decision.

Negotiations with PCT on 05/06 ES Spend

Action: PHR was asked to approach the PCT to get the budget from them.

Also, Cherwell vale have not asked for activity for their enhanced services which should have been sorted.

MMR

Cherwell Vale and North Oxon have no plans to remunerate vaccinations. PHR said all PCTs are remunerating at £7.28.

Action: JS to follow up

nGMS Implementation Group

MC said that the group had been disbanded. The meeting had been useful and a lot of issues had been addressed, the Committee felt it was a shame it had been disbanded.

Action: NB asked the Secretariat to ratify locum payments for sickness.

Alcohol Abuse LES

This is being done in north Oxford.

Minor Surgery & Minor Injury Payments

This was poorly done.

The PCT have offered incentives for data collection. Not all Practices have wanted to participate. NE Oxon have continued to do minor injuries but not all Practices in Cherwell Vale have.

Cherwell Vale has been capped and there is no information about whether the excess would be paid.

Any Other Business

Sue Barndon had contacted GPs regarding commissioning services such as vasectomies and female incontinence.

It would be useful to have a “who’s who” in the new merged PCT.

On 31st March the County Treasurer role will be passed back to the Secretariat.

The Committee thanked SL for his work.
