

The Westongrove Partnership, a well-established and forward-thinking 5-trainer teaching practice, is caring for around 34,000 patients across three sites. We are situated in an area of outstanding natural beauty in the Chilterns. Easily commutable with great transport links to London. Our team live within Buckinghamshire, Hertfordshire and Oxfordshire. We are now recruiting a GP to join our **triage team**, based at our **Wendover Health Centre**.

Why Westongrove?

- A key role in our Triage Service, reviewing patient need and signposting to the right care, working closely with Care Navigators.
- A varied, fast-paced role at the heart of patient care, working with a close-knit, experienced clinical team.
- Ready access to senior GP support for complex cases, with named Partner mentorship from day one.
- A genuinely supportive MDT (ANPs, Nurses, Paramedics, Pharmacists, Physios, Health Coaches) sharing the clinical load.
- Skilled administrative support so your time is spent on patients, not paperwork.
- A friendly, sociable team culture, with regular socials and a genuine focus on staff wellbeing.

We offer...

- Competitive salary and NHS pension.
- Monday to Friday, 9am-3pm, with some flexibility.
- 6 weeks annual leave + 1 week study leave.
- Tailored induction programme.
- Fully reimbursed indemnity and membership to the Clarity appraisal toolkit.
- Protected learning time.
- A genuine focus on wellbeing, with regular socials, a dedicated team, and a wellbeing day.
- Opportunities in medical education.

What we're looking for

An experienced GP, skilled in triaging and signposting, who can work effectively within a busy demand model and can adapt easily to new ways of working. We currently use the Klinik system.

How to apply

To apply, or for an informal chat about the role, please contact Kieran Morris at kieran.morris@nhs.net.
