

Church Street Practice

WANTAGE

ABOUT US

We are a friendly, forward-thinking research and training practice who strive to offer excellent patient care. With a list of 19,500 patients, the surgery has an excellent reputation locally amongst both patients and clinicians.

You would be part of an exceptional multidisciplinary team and PCN which includes GPs, ANPs, nurses, HCAs, paramedics, physio, mental health worker, pharmacists, pharmacy technician, Care co-ordinator, social prescriber and frailty practitioners. The team is supported by our amazing and devoted patient advisers and administrators.

LOCATION

Church Street Practice is based in Wantage, Southwest Oxfordshire. In the midst of a beautiful semi-rural area and thriving market town. With ample on-site parking, great schools and good transport links to Oxford, London and beyond. New building expansion gives extra consulting space and a large, modern open-plan waiting area.
