Salaried GP Vacancy – General Practitioner

Practice: The Misbourne Practice (two sites: Chalfont St Peter & Chalfont St Giles)
Contract Type: Fixed Term / Permanent

Working days: Mondays & Thursdays preferred but can be flexible
Number of sessions: Flexible up to six sessions
Hours: 08:30 – 18:30

About Us and the role

The Misbourne Practice is a well-established GP practice operating across two sites. We pride ourselves on being a **collaborative and forward-thinking practice**, where clinicians are supported by approachable colleagues and an experienced wider team. We want our GPs to feel valued, able to ask for support, contribute ideas and develop their professional interests.

You will be joining a very established and supportive clinical team, within a practice that is fully staffed across clinical and administrative teams, with strong additional role support. The practice is stable, well organised, and led by team of 8 partners, offering a genuinely collegiate working environment.

The practice operates a Total Triage model. All GPs at the practice participate in triage, and the successful candidate may be involved in triage as part of the practice's Total Triage Model.

Key responsibilities

- * Providing high-quality, safe, and effective GP services
- * Managing patient contacts within a triage-led model
- * Working collaboratively with the wider practice team
- * Supporting continuity of care for patients
- * Maintaining accurate clinical records and adhering to practice policies

About you

- ✓ Fully qualified GP with GMC registration
- ✓ On the NHS Performers List
- ✓ Confident, patient-centred, and professional
- ✓ Comfortable working within a triage-based system

✓ Able to work independently within a supportive team

What we offer

- ✦ Excellent clinical and administrative support
- ✦ Supportive, well-established team culture
- ✦ Flexible working hours within agreed parameters
- ✦ Well-run, forward-thinking practice
- ✦ Opportunities to contribute to quality improvement and practice development
