

GP Salaried Vacancy

We are looking for a GP for 2-6 sessions per week.

We are a friendly, forward thinking city centre practice (approx. 13,500 patients) with a mixed and varied patient population. We are 'college doctors' to eight of the Oxford colleges.

We are a supportive team of 5 GP Partners and 6 Salaried GPs with a strong & expanding nursing team, 3 experienced paramedic practitioners and a pharmacist. We are well supported by our friendly and efficient patient advisory, administration and management teams. We are high performers through QoF and other enhanced services. We have excellent patient feedback.

The successful applicant will be an enthusiastic and committed GP and join our well organised practice, working in a multi-professional team whilst gaining valuable skills in a supportive and professional environment.

We are a teaching and training practice, with excellent feedback from all our learners. We have medical students from the University of Oxford. We are a training practice for GP trainees and foundation year doctors. We are actively involved in research as an NIHR approved research practice.

We are based in the heart of Oxford in a brand-new, purpose-built premises with our neighbouring practice of KES@Northgate. We have expanded practice services following our merger of 27 and 28 Beaumont Street practices.

We have strong relationships with the other three practices in our PCN (Oxford Central PCN) and work collaboratively alongside each other. We are building our team of health care professionals within the PCN.

We offer a competitive salary / partnership drawings, NHS pension, medical defence fees plus a generous leave allowance.

For further details or to arrange an informal visit please contact Dr Matthew Easdale, GP Partner.

To apply please send your CV and covering letter detailing your interest and suitability for the role to bobicb-ox.nhc.manager@nhs.net
