**PERSON SPECIFICATION
HEALTH CARE ASSISTANT ROLE**

The post holder needs to be able to demonstrate the following core competencies to a high level and use these to the full in their work. We will look for evidence of all the essential competencies during the selection process.

Person Specification

Essential

Education and Qualification

- GCSE grade A to C in English & maths
- Certificate of competence in phlebotomy

Knowledge and Experience

- Experience working in primary care (Minimum 1 year)
- Aware of accountability of own role and other roles
- Awareness of clinical governance
- Knowledge of patient group directions and associated policy
- Computer literate

Skills and Abilities

- Excellent interpersonal and communication skills.
- Ability to work alone and under pressure.
- Highly motivated
- Ability to work as part of a team
- Excellent time-keeping

Attributes

- Presentable in personal appearance.
- Approachability to staff and patients.
- Good level of self-motivation.
- Outwardly enthusiastic and confident.
- Show a flexible approach to work

Disclosure and Barring Service Check

This post is subject to the Rehabilitation of Offenders Act (Exceptions Order) 1975 and as such it will be necessary for a submission for Disclosure to be made to the Disclosure and Barring Service (formerly known as CRB) to check for any previous criminal convictions.

Confidentiality requirements

Given the work environment where patient data is accessible by staff, the post-holder must observe strict confidentiality when accessing patient data. Information relating to patients, carers, colleagues, other healthcare workers or the business of the practice may only be divulged to authorised persons in accordance with practice policies on confidentiality and the protection of personal and sensitive data.

Health and Safety

The post-holder will assist in promoting and maintaining their own and others' health, safety and security as defined in the practice Health & Safety Policy, to include:

- Using personal security systems within the workplace according to practice guidelines
- Identifying the risks involved in work activities and undertaking such activities in a way that manages those risks
- Making effective use of training to update knowledge and skills
- Using appropriate infection control procedures, maintaining work areas in a tidy and safe way and free from hazards
- Reporting potential risks identified.

Equality and Diversity

The post-holder will support the equality, diversity and rights of patients, carers and colleagues, to include:

- Acting in a way that recognises the importance of people's rights, interpreting them in a way that is consistent with practice procedures and policies, and current legislation
- Respecting the privacy, dignity, needs and beliefs of patients, carers and colleagues
- Behaving in a manner which is welcoming to and of the individual, is non-judgmental and respects their circumstances, feelings priorities and rights

This job description is intended to be part of an agreement for employment, however, it will be reviewed periodically, and the post holders will be invited to contribute to the review.
